

Forestry Application Track Chains

Valuepart Inc. is proud to announce its increased inventory of Forestry application Chains. These Chains will fit the Hitachi*, Hyundai*, Link-Belt*, Timberjack*, TigerCat*, Daewoo*, John Deere* and Caterpillar* forestry application machines. The list of Chains includes:

VKM782/49FV	VKM782/51FV
VKM959/50FV	VKM2233/48FV
VKM5350/49FV	VKM5489/45FV
VKM5926/45FV	VKM5926/49FV

Features of these Chains:

- Unsealed joint assures maximum possible load transfer.
- Bushings are fully supported in link counter bore for rugged operation.

Positive Benefits of these Chains:

- Increased resistance to fracture and impact loading
- Best chance for increased service life when wider shoes are used

All of our quality products are engineered to meet or exceed OEM standards. This ensures that the highest quality, reliability and performance standards are maintained.
