

Valuepart to Exhibit at INTERMASZ Poland, May 6 – 9, 2015

Valuepart and its subsidiaries Valuepart Inc. and Intramex Valuepart have announced their participation at the upcoming INTERMASZ exhibition to be held May 6 – 9 at the Pozan International Fair exhibition center in Pozan, Poland. One of the largest trade exhibitions held at the center, the show features over 8,500 square meters of exhibition space dedicated to construction equipment and aftermarket supply.

The exhibition booth will feature the aftermarket undercarriage composition of the Caterpillar D10 and D 11, the Hitachi EX 60/5, and the company's line of aftermarket rubber tracks and poly pads. The company will also display its line of VTRACK by Passini aftermarket repair parts, designed for use in a wide range of the installed base of construction equipment.

Please join our commercial and technical resources at Intermasz – Hall 3, Stand 18!

About Valuepart and Valuepart Inc.:

Valuepart is a leading global manufacturing and wholesale distribution enterprise focused on the supply of aftermarket construction undercarriage components and repair parts. Headquartered in Castelvetro, Modena Italy, the company maintains manufacturing and supply chain assets on five continents and serves OEMs, dealers, distributors, and end users, marketing its products under the "VTRACK by Passini" brand. Wholly owned subsidiary Valuepart Inc. serves customers in North, Central, and South America through a network of ten warehousing and administrative offices.
