

# VALUEPART INC.

ValuePart Inc. is pleased to say that although the Mining Industry is down, our participation at the Mine Expo in Las Vegas, Nevada this past week was a huge success, with over 44,000 visitors attending the show.

The ValuePart booth featured the company's industry leading line of VTrack by Passini branded all makes undercarriage components, everyone who visited our booth received our new and improved parts brochure as well as some of the many useful giveaways we had to offer.

Valuepart has long been a trusted undercarriage partner to its authorized dealers within the aftermarket construction marketplace and would like to thank everyone that took the time to visit our booth, to speak to one of our many employees who attended the show.

#### About ValuePart and ValuePart Inc.:

ValuePart is a leading global manufacturing and wholesale distribution enterprise focused on the supply of aftermarket construction undercarriage components. Marketing its products under the "VTRACK by Passini" brand, the company maintains manufacturing and supply chain assets on five continents and serves OEMs, Dealers and Distributors worldwide. Wholly owned subsidiary ValuePart Inc. serves customers in North, Central and South America through eight warehousing and administrative offices.
