

## Valuepart Swings for Par-ts At June UPN Conference.

Valuepart leaders Jeff Sydney and Kent Clemens represented the company's VTRACK by Passini repair parts product line at the recent UPN Convention in Branson, MO—on the convention floor and the golf course. The annual UPN Conference brings together hundreds of industry leaders from dealers and wholesalers engaged in the heavy construction equipment marketplace.

Pictured are one of the Valuepart golf groupings at the event, pictured from left to right are Jeff Sydney, repair parts leader for Valuepart Inc., Chris Lund from GW Van Keppel, and Neil Chambers from GRC Global Recovery Corporation. Golf scores from the event were not immediately available.

"I'm a lot more comfortable talking about the excellence of our VTRACK by Passini line of repair parts than the finer aspects of my golf game", said Jeff Sydney, "I am pleased, though, to be out on the course renewing ties with the dealer community."

Further information on the VTRACK by Passini repair parts product line, can be found on the Valuepart website, [www.valuepart.com](http://www.valuepart.com).

About Valuepart and Valuepart Inc.:

Valuepart is a leading global manufacturing and wholesale distribution enterprise focused on the supply of aftermarket construction undercarriage components and repair parts. Marketing its products under the "VTrack by Passini" brand, the company maintains manufacturing and supply chain assets on five continents and serves OEMs, dealers, distributors, and end users worldwide. Wholly owned subsidiary Valuepart Inc. serves customers in North, Central, and South America through a network of ten warehousing and administrative offices.
