Valuepart Inc. and KOBELCO Construction Machinery USA Sign Aftermarket Supply Agreement for “All Makes” Undercarriage Components

Vernon Hills, IL and Katy, TX – Today, Valuepart Inc. and KOBELCO Construction Machinery USA signed an aftermarket supply agreement covering Valuepart’s line of VTRACK by Passini undercarriage and repair parts components designed for use on “all makes” of off-highway construction machinery.

The agreement provides the large and growing network of KOBELCO dealer locations in the United States, Canada, Mexico, Central and South America preferred access to Valuepart’s broad line of aftermarket products and industry leading technical support. The agreement was signed by Ivano Passini, President and CEO of Valuepart Worldwide and Katsuhiko “Pete” Morita, President and CEO of KOBELCO Construction Machinery USA, Inc., both pictured above.

“Kobelco has long been recognized as a Global leader in the production of Excavators and we are proud to be a partner in the company’s Americas aftermarket program”, said Ivano Passini. “We look forward to working closely with the company’s dealer network and demonstrating the quality, performance, and reliability of the VTRACK by Passini product line, and will be working individually with each KOBELCO dealer in the coming months to introduce the program.”
